

# Ward Mission Plan

Stayton Ward

Salem Stake

We will help perform the gathering of Israel on both sides of the veil by helping our ward members participate in missionary work by:

- Specifically pray for opportunities to share the gospel with at least one person each day.
- Striving to individually live the gospel to qualify for missionary opportunities and to be an example of Jesus Christ.
- Strive to reach out to less active and part-member families through ministering.
- Work closely with new members to continue gospel learning and encourage active participation in membership through callings and service.
- Set up, maintain, and actively participate in sharing gospel messages on personal and organizational social media platforms.
- Organize a quarterly instructional event to improve awareness and motivation towards missionary work.
- Focus on inviting community members to participate in ward activities and service projects.

It is expected of each individual and organization to set goals and objectives to help accomplish our Ward Mission Plan. Weekly huddles will be held to frequently discuss and coordinate the work of our Ward Mission Plan.
