

Four Corners Ward 2022 Ward Mission Plan

The gathering is the most important thing taking place on earth today. Nothing else compares in magnitude, nothing else compares in importance, nothing else compares in majesty.

When we speak of the gathering, we are simply saying this fundamental truth: every one of our Heavenly Father's children, on both sides of the veil, deserves to hear the message of the restored gospel of Jesus Christ.

President Russell M. Nelson

As member missionaries we can: Pray daily for our local missionaries and for our own success in sharing the Gospel with family, friends, and acquaintances.

Grow our testimonies through daily gospel study and service to others

Expand our circle of friends, nurture these relationships, exchange religious ideas respectfully, and extend invitations to learn more about the Gospel of Jesus Christ.

Come to church each week looking for opportunities to reach out to new faces, to those who appear to carry burdens, are lonely, or need encouragement.

Family Mission Plan

Ward members are encouraged to develop their own plan tailored to their individual strengths and circumstances.

Your plan may include:

1. Have the full-time missionaries in your home or by Zoom at least once a month for an evening appointment.
2. Invite a non-member friend or family member to at least one ward activity.
3. Discover new ways to share the gospel using social media.
4. Invite a non-member friend or family member to visit the Portland Temple grounds and visitor's center.

“In whatever ways seem natural and normal to you, share with people why Jesus Christ and His church are important to you... Your role is to share what is in your heart and live consistent with your beliefs.

Elder Dieter F. Uchtdorf

Love

Sharing the gospel begins, as everything in the gospel does, with love.

Share

We share love, time, experiences and church programs to bless God's children and help them draw closer to the Savior

Invite

The gospel is woven into the fabric of your life. So, live your life and invite others to come and live your life with you.

Elder Marcus B. Nash
